Vine Customer Review of Free Product (What's this?)

For the closet, the tool shed, the doors, windows, the rear gate, for seasonal hangings that don't need a sticky strip, and I can hang a pound or two safely.

My wife's purse collecting fetish clogging up her closet is why I bought these. She hangs them from hangers...multiple purses, bags, bras, handcuffs, latigo, bridle...everything in her closet, and these hooks became a great solution.

They're coated in rubber or latex and tipped. Each hook has 2 hooks, and one is larger than the other...for more bags to hang on.

4 stars because I feel like more than 2 pounds and they will begin bending. They are metal.

I will be ordering more.

Vine Customer Review of Free Product (What's this?)

These work great for what they are marketed for like belts and scarfs. They are easy to hang pretty much anywhere so you don't need a lot of space for them. They are nice to have for all the odd things that you don't have a place to hang.

Vine Customer Review of Free Product (What's this?)

These hooks are very well coated (though I wish I knew with what - it doesn't smell like PVC).

If you pull/push hard you can in fact bend them, so I would want to use them for tools in the garage. For clothing they should be fine.

★★★★★ Don't pass on these fantastic, versatile multi-purpose hooks!

Vine Customer Review of Free Product (What's this?)

I love these hooks and are a great buy for just \$1 apiece! These are large and better than regular S hooks. These twisted hooks are space savers that look and feel well-made and very sturdy. They're described as being able to hold up to 50 pounds, and I believe it.

These unique hooks are a great way to help you stay organized. I imagine you can use them in every area of your home. I use one to hang my small ladder up in the basement so I can stop kicking it as I walk by the place I had it propped up in the kitchen. They make the best purse hangers, can be used to hang plants outside or belts in your bedroom closet, and are a stylish and durable way to hang your pots and pans in the kitchen.

They are sleek and black, fitting any décor, and have rubber tips to protect your items and possibly keep the hooks from slipping off. They are also large enough to fit nearly any rod.

★★★★★ **Serve their intended purpose very well and are stronger than I assumed.**

Reviewed in the United States on May 30, 2023

**Vine Customer Review of Free Product** (What's this?)

First off, these are marketed as closet hangers for bags, belts clothes etc. So, I only tested them in that capacity and only use them for that and they come in very handy as such. I was looking for something to help organize my belts better in my closet and one of these holds quite a few of them in a fashion that I can clearly see which ones I have hung.

These hooks have a rubber coating and are quite sturdy. I pulled on them and it takes a bit of force to get them to bend, much more force than any of the above listed items would place on them. The heaviest thing I have in my closet is a tactical vest with front and back ballistic plates in it. I hung that hanger from these hooks and there was no give at all. I have used quite a few to hang my wife's bags in the back of the closet as well. Due to the shape of these hooks the bags hang with the smaller sides facing out, conserving space in the closet. I am very happy I stumbled across these and am very happy with them. I will be getting more to hang more bags of my wife's.

★★★★★ **Convenient, fit on a variety of closet hanging solutions**

Reviewed in the United States on June 21, 2023

**Vine Customer Review of Free Product** (What's this?)

These are big, they fit on every hanging rack on every closet in my house. Others only fit on the thinnest metal rods, but these fit larger rods as well. They are completely coated, not just the tips. Not sure what they're coated in, but it's kind of cushioned and grippy. Working nicely to hang bags in my closet. They seem very sturdy when used to hang bags. I have one or two bags on each hook. Would order them again.

Reviewed in the United States on May 26, 2023

**Vine Customer Review of Free Product** (What's this?)

You know how sometimes you know what you want but don't know the right thing to call it so it's very hard to search for it? That was exactly my situation with these hangers. I had found variations of them that sort of solved the problem, but they involved threading the top part of the hanger on a rod, which made it impossible to remove without taking the whole rod down. These hangers are perfect! You can move them around so easily. They're so nice because things with handles, like purses, can neatly hang perpendicular to the wall. These hangers are really well-made. They are not at all flimsy and could hold a fair amount of weight if you needed them to. Don't hesitate. They are really great!

**Vine Customer Review of Free Product** (What's this?)

So glad I found this the hangers that came with the closet we use now easily, break upon placing a purse on it. Even though it was meant for purses. These are so thick and durable. Can hang two purses if not more on one of these opposed to what I was able to do before. I'm so happy. I found this because it has been a major struggle with my closet being so jam packed with bags. It's nice to have a simple item that gives me the room that I need. And I don't have to worry about my son or bags being ruined by a cheap hanger. I highly recommend these to anyone who is a bag enthusiast.

★★★★★ Great "twist" to the standard hook

Reviewed in the United States on November 11, 2023

Color: Black **Verified Purchase**

This twisted hook solved my problem in my camper closet. I needed to hang a basket but couldn't do it without the twist in the hook. These are excellent and solved my problem perfectly.
